OUTDOORS USER

As soon as you have returned safely, make sure you tell your Trusted Contact.

TRUSTED CONTACT

If the outdoors user does not contact you to advise you of their safe return:

- At the expected date and time immediately try and contact the outdoors user directly if you have not already heard from them.
- If the outdoors user hasn't responded after 1 hour, try again. Also try to contact other members of the party.
- If unsuccessful, telephone 111 (or if outside New Zealand call +64 4 381 2000), ask for the Police and then provide details from the outdoors intentions email, form or online provider, about the missing person (s).
